

# Journey of a Resume

beginning to visualize and understand the HR process

.....  
ATS used (if applicable)

.....  
your position (optional)

.....  
your company (optional)

---

## part 1: mapping

How do you hire a new employee? What does that process look like?

**stages of hiring process**

.....

**additional details**  
what are the filters? Who does each part of the process? what tools are used?

## part 2: opportunities & road blocks

How might badges become more visible in your hiring process? What kind of road blocks might prevent badges impact?

Use the stickers to indicate where on your journey map the opportunities and road blocks occur.
